Re: Universal 911 Dialing First Transition Report

Dear Bureau Chief:

Western Wireless Corporation hereby files, pursuant to WT Docket No. 00-110, its Universal 911 Dialing First Transition Report. This Report is filed on behalf of Western Wireless Corporation, and the following subsidiaries: WWC License L.L.C. (TRS # 805958); WWC Holding Co., Inc. (TRS # 808809); WWC Texas RSA Limited Partnership (TRS # 817878); Western Paging Corporation (TRS # 801306); Western CLEC Corporation (TRS # 818924) (collectively "Western Wireless"). Western Wireless is located at 3650 131st Ave. SE, Suite 400, Bellevue, WA, 98006, (425) 586-8700.

Western Wireless provides service in 19 states west of the Mississippi River under the Cellular One brand name. This Report covers the 22 geographic areas in which Western Wireless provides service that fall within the approximately 200 counties identified by the National Emergency Numbering Association (NENA) and listed in Appendix D to the Commission's *Fifth Report and Order*. These 22 geographical areas are identified in Attachment A, along with the applicable 911 routing locations and the current status of 911 routing. Western Wireless is presently routing 911 calls to the county's designated emergency call answering point in each area in which the Company has a presence through a cellular antenna tower and associated electronics. It is not experiencing any routing problems in the identified areas.

I certify that I am an authorized representative of the above-named entities, that I have examined the information contained in this Report and Attachment A, and to the best of my knowledge, information and belief, all statements of fact contained herein are true.

Please feel free to contact me with any questions at the address above, or at (425) 586-8432, or via email at Nathan.glazier@wwireless.com.

Sincerely,

Nathan Glazier
